#### Description this book

Millions of Easy Bites and similar toy ovens have been sold over the years, yet there are few cookbooks designed for use with them. "Tiny Bites" fills that gap with recipes ranging from super easy brownies to more complicated pies and meat loaves. Children can make peaches, hamburgers and quiche as well as cakes and cookies. There are even instructions for making a pumpkin pie from the eggs, nose and mouth of a jack-o'-lantern. All recipes are accompanied by color photographs. Susan Berry Eberhart began baking at the age of eight with a vintage toy stove. Since then, cooking with her children and grandchildren has been a joy. She lives in Woodstock, NY, with her husband, Peter.
